Screw It!

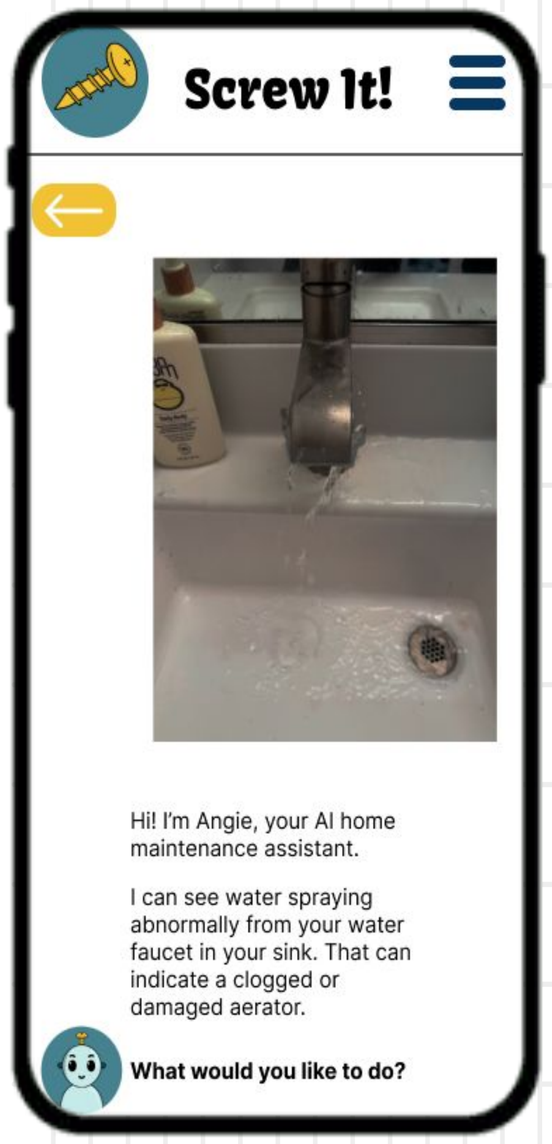
Your home, *your* choice – DIY with confidence!

The Problem

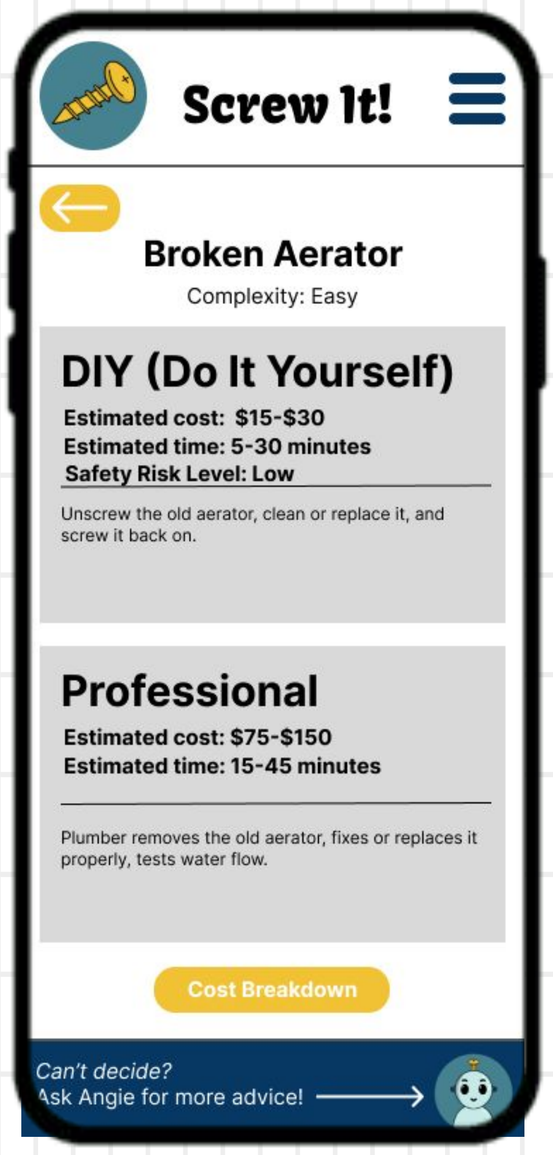
Renters and homeowners who are new to home maintenance often lack clear guidance on identifying and solving household issues.

Our Solution

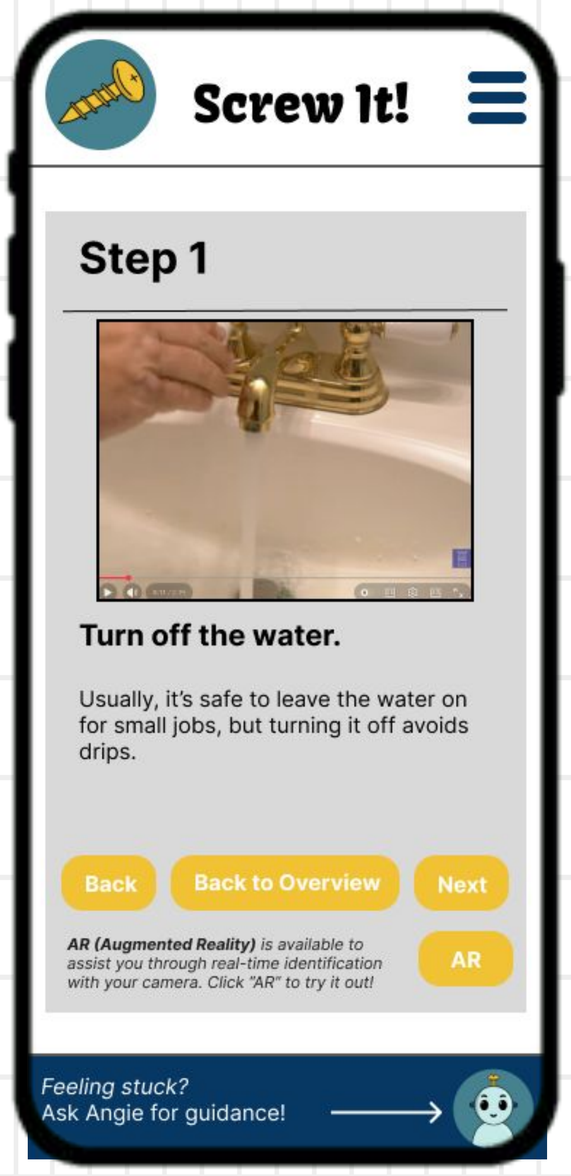
Use AI to identify home maintenance issues, compare DIY and professional options, and guide users step-by-step through DIY solutions.



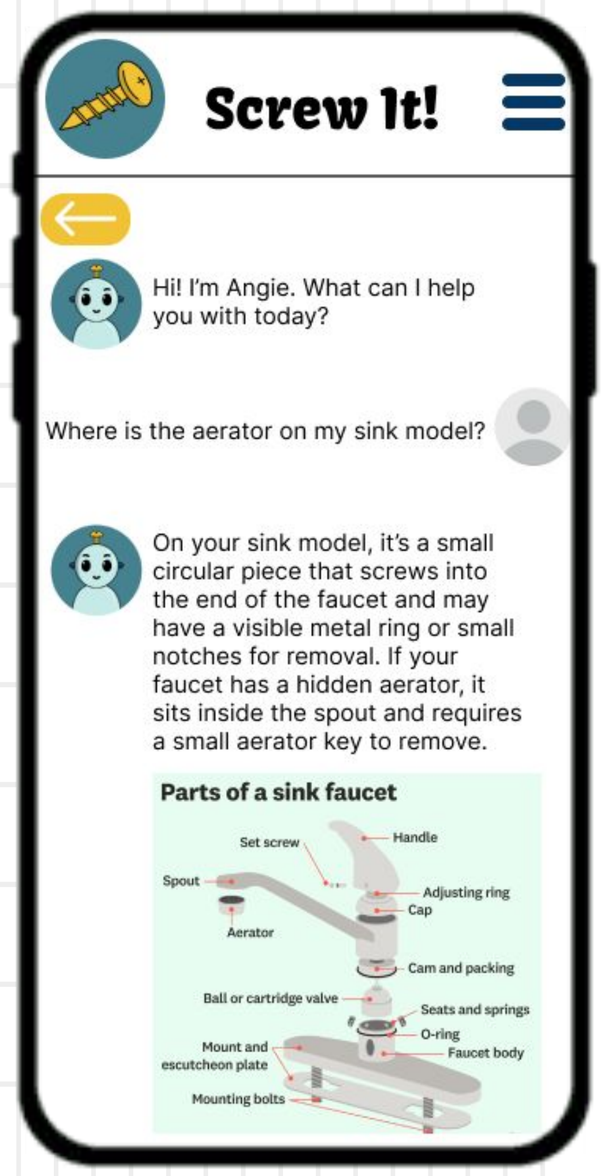
Take a picture and identify the issue



Compare solutions



Step by step instructions with video and AR



An AI assistant to help you whenever
